

May 14, 1951.

Dr. Thomas S. Hall,  
Dean, College of Liberal Arts,  
Washington University,  
St. Louis 5, Missouri.

Dear Dr. Hall:

In accordance with your request of May 9, I am sending those reprints that are available. I regret that many of the earlier papers which you requested are virtually exhausted. If it would be of any use to you, however, I would be pleased to send you reprints of any of the papers on the attached list, if I could have them and the list back when you had finished your immediate use of them.

Yours sincerely,

Joshua Lederberg,  
Associate Professor of Genetics
